ANDERS FAMILY TO APPEAR IN CONCERT

The Anders Family will appear in concert at _____, on _____.

Comprised of worship and song leader, Jeff Anders; wife, Diane (a gifted and joyful soloists; and son, Jonathan (drums and backup); the Anders Family is involved in full time music evangelism. Daughter, Jennifer, is a full-time college student who contributes through song-writing when her schedule permits. Jeff, completed his education at Samford University in Birmingham, Alabama, served as a full time Minister of Music for 21 years in churches prior to the establishment of Anders Ministries. Diane taught children's choirs and was consistently involved in their church's music program. As Diane became more frequently sought for outside singing and speaking engagements, the family began to see God's plan for using them on a broader scale.

Today, God is using, the Anders family to minister in song and testimony throughout the country and abroad. They are booked on a weekly basis joining some of America's most respected evangelist and pastors. Diane also participates in women's conferences, providing the music and, upon request, has also been the featured speaker. Her latest single, "Choose Jesus: (from the Choose Jesus project) is receiving tremendous airplay on Christian radio.

Jeff, Diane and Jonathan are available for concert or conference settings. Additionally, Jeff leads worship and song services for revivals, with Diane as the featured guest singer and Jonathan playing drums and providing backup. Their powerful testimonies are a compliment to any worship service, revival service or concert.

The Anders Family, now based in Jennings, Florida, is well-respected among Christian pastors, evangelist and leaders. Lifeway president, Jimmy Draper, had this to say about Diane - "I was privileged to hear Diane in North Carolina. The Lord uses her in a great way. Diane always gives glory to God and we affirm her devotion in our Lord Jesus Christ. We praise God for all who will be so richly blessed by this ministry."
